

Industry Preferred Institutes – 2017/18

Following is the list of Industry Preferred Institutes for various types of courses for the year 2017/18.

Preferred Institute list is prepared through a comprehensive system of benchmarking carried out by ISF Institute of Research and Education (IIRE), a competent independent body appointed by FOSMA and MASSA. The institutes appearing in the list are from those which were listed by FOSMA and MASSA members, and subsequently volunteered to share their data and be subjected to verification audit and analysis by IIRE.

The names of the institutes appear in an alphabetical order.
