MARINE CIRCULAR

MC-2/2020/1

04/2020

FOR: Ship Owners, Ship Managers, Ship Operators, Ship Masters, Ship Officers, Port Authorities, Flag State Inspectors

SUBJECT: EXTENSION OF SEAFARERS' EMPLOYMENT AGREEMENT SERVICE PERIOD AND CERTIFICATES OF ENDORSEMENT DUE TO COVID-19

DEFINITIONS:

The following abbreviations stand for:

- "SEA" – Seafarers' Employment Agreement
- "COC" – Certificate of Competency in accordance to the STCW
- "COE" – Certificate of Endorsement (issued against an officer's COC / GOC / DCE / SSO)
- "COP" – Certificate of Proficiency in accordance to the STCW
- "DCE" – Dangerous Cargo Endorsement (e.g. Advanced Oil/Chemical Tanker Certificate)
- "GOC" – GMDSS Operator Certificate
- "MC" – Medical Certificate
- "SSO" – Ship Security Officer Certificate
- "STCW" – International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, 1978, as amended

The term "Administration" shall mean the Tuvalu Ship Registry.

PURPOSE:

The purpose of this circular is to address the heightened immigration measures and travel restrictions put in place by an increasing number of countries which may result in difficulties for ship owners to arrange change of crew when their SEAs expire, and for seafarers to have their COCs/COPs/MCs revalidated prior to the expiry of their Tuvalu COE.

- (b) Tuvalu Merchant Shipping (Maritime Labour Convention 2006) Regulations
- (c) Tuvalu Registry Circular RC-5/2012/1 – Crew Endorsement Application

APPLICATION:

This circular applies to all seafarers serving on board Tuvalu flagged vessels.

CONTENTS:

1. Extension of SEA

- 1.1. International efforts to stem the spread of COVID-19 has led to an increasing number of countries and their port authorities placing immigration restrictions which may result in difficulties for ship owners to arrange change of crew when the SEAs of the crew expire.
- 1.2. In order to address the issue, the Administration hereby wishes to inform all parties concerned that a seafarer's service period may be extended on condition that any such extension is:
 - 1.2.1. agreed by the seafarer voluntarily in writing; and
 - 1.2.2. is properly set out in the SEA which shall be in accordance to the Tuvalu Merchant Shipping (Maritime Labour Convention 2006) Regulations

2. Extension of Tuvalu Certificates of Endorsement (COE)

- 2.1. Tuvalu COEs that expire due to the seafarers being unable to revalidate their COCs, COPs and/or MCs due to travel restrictions imposed will be able to apply to crewing@tvship.com to have the COEs extended on condition that the National Authority issuing the COC and/or COP has issued an official notice or letter of extension.
- 2.2. In the event that an official notice or letter of extension by the National Authority cannot be produced, then the Administration may, on a case-to-case basis, issue a short term dispensation letter to allow the seafarer to continue to sail in his/her present capacity until the vessel is able to call at the first port where the seafarer can be replaced or repatriated. Please contact technical@tvship.com to apply for a dispensation if required.

Yours sincerely,

- “PSC” – Port State Control
- “RO” – Recognized Organization as defined by IMO Resolution A.789(19)
- “SMC” – Safety Management Certificate

The term “Administration” shall mean Tuvalu Ship Registry.

PURPOSE:

This circular is valid up till 31 December 2020, unless otherwise extended, revised or revoked, and serves to address the challenges faced by the shipping industry caused by COVID-19 when it comes to the arrangement of statutory surveys, audits and inspections due to heightened precautionary measures undertaken which have resulted in travel restrictions imposed by countries around the world.

REFERENCES:

- (a) Tuvalu Marine Circular MC-1/2020/1 – Coronavirus Pandemic (COVID-19)

APPLICATION:

This circular applies to all Tuvalu flagged vessels.

CONTENTS:

The Administration encourages all government agencies and industry stakeholders to recognize this as a force majeure situation that will necessitate flexibility, and that it is imperative that the owner/manager and the RO work together to maintain the validity of statutory certificates by means of physical and remote survey techniques where possible.

However, where adequate justification and supporting documentation shows that the above is not possible, then the Administration will, in consultation with the RO (with exception of section 6), consider taking the below measures under force majeure on a case-to-case basis.

1. Statutory Surveys and Certificates:

Postponement of survey, servicing of equipment, and/or certificate extension beyond the maximum three (3) months in the event where scheduled surveys (drydock surveys, statutory surveys including IOPP renewal survey) are unable to be performed, either by physical attendance or remote means, due to restrictions imposed by COVID-19.

2. DOC (ISM Code):

2.1. Extending the DOC where the company cannot complete the required initial or annual verifications.

3. SMC (ISM Code):

3.1. Extending the Interim SMC where the initial ISM shipboard audit cannot be carried out.

3.2. Extending the intermediate ISM audit and authorize RO to issue Short Term SMC with the corresponding validity.

3.3. Extending the SMC where the renewal ISM shipboard audit cannot be carried out.

4. ISSC (ISPS Code):

4.1. Extending the Interim ISSC where the initial ISPS shipboard verification cannot be carried out.

4.2. Extending the intermediate ISPS verification and authorize RO to issue Short Term ISSC with the corresponding validity.

4.3. Extending the ISSC where the renewal ISPS shipboard verification cannot be carried out.

5. MLC (MLC 2006):

5.1. Extending the Interim MLC where the initial MLC 2006 shipboard verification cannot be carried out.

5.2. Extending the intermediate MLC 2006 verification and authorize RO to issue Short Term MLC with the corresponding validity.

5.3. Extending the MLC where the renewal MLC 2006 shipboard verification cannot be carried out.

6. Annual FSI:

6.1. Extending the annual FSI or consider remote inspection techniques where possible.

Applications for any of the above measures shall be made to technical@tvship.com either through the ship owner, ship manager, or RO together with supporting documentation.

Examples of supporting documentation (acceptable in electronic form) may include the following:

- a) Statement from a port authority notifying that the vessel is quarantined and/or that no one is authorized to attend the vessel; or
- b) Statement or letter from a Flag State Inspector, RO Auditor and/or RO Surveyor stating that they are unable to attend the vessel in the port where the inspection, audit or survey was scheduled to take place due to travel or port restrictions; or
- c) Statement or letter from the shipyard stating that they are unable to accommodate the vessel on the date previously agreed.

Yours sincerely,

Deputy Registrar
Tuvalu Ship Registry
